SUMMER 2015

Alert Minds and Active Bodies for a Better Community

*While most of you who reside in Scituate are aware of the **Scituate Youth Center**, we would like to update you on our programs and ask for your support.*

The **Scituate Youth Center** is a non-profit organization, run by a volunteer Board of Directors. The SYC has provided athletic programs to the youth of Scituate for over sixty years. We operate at **NO** expense to the taxpayer and we derive **NO** financial aid from the town. Our annual operating budget now exceeds \$50,000 – we enroll more than 2000 young people each year. Expenses for the use of town fields and gyms continue to increase.

The programs we offer to the young people of Scituate are:

Boys & Girls: Tennis – Soccer – Floor Hockey – Basketball
Girls: Softball – Field Hockey - Volleyball

This year, the SYC will continue its partnership with CORSE in an effort to offer programs for special needs children – our popular tennis lessons serving as the pilot program.

In addition to our sports programs, the SYC awards several scholarships each year to those graduating seniors of Scituate High who over the years have shown a serious commitment to the SYC, be it through an extraordinary amount of community service or, years of helping out with the many umpiring & refereeing duties.

It is a priority of the SYC to keep our registration fees at a modest level so that every family in Scituate, regardless of financial position, may participate. Over the past seven decades, many thousands of young people have benefited from our programs. It is in the best interest of our community to see to it that the **Scituate Youth Center** remains a viable organization, with your support we can be certain it will.

Please consider our appeal and take the time to forward your tax deductible contribution using the enclosed envelope. Thank you for your support!

Sincerely,

SCITUATE YOUTH CENTER
